EDUCATION DEPARTMENT.

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION. MADRAS.

The Secretary to Government, Education Department.

Roc.No. 848 K3/50 dt. 9/10/50.

Sir,

Sub:-Government Girls High School Mangalore--Grant of free places to Muslim girls --discontinuance-- orders--Requesting.

Ref:-Government Memo.No. 12816 -B1/48-4 Edn. dt.19/5/48.

In their order Ms.No. 687 Edn. dt. 3-5-44, Government, while approving the proposal to open Forms IV to VI in the Government Middle School for Muslim Girls Mangalore, sanctioned the grant of free places upto 30 per cent of the total strength of the High School Forms of the School. Later, permission was given for the admission of non-muslims also to the School,-- Vide G,O.Ms.No.500 Edn. dt. 7/3/46 -and I therefore instructed the Inspectress that the above concession should be allowed to Muslim girls alone, and that for determining the number of free places, the strength of the Muslim girls in Forms IV to VI alone should be taken into account. The school has since been converted into a general school for girls of all communities with effect from 1948-49 vide Government Memo. No.12816 B1/48-4 Edn. dt.19/5/48. In the above Memo.Government have passed orders regarding the continuance of the provision of conveyance for Muslim girls studying in the school, but no mention has been made regarding the continuance or otherwise of the provisions of free places.

2. Since the school is now a general school for girls of all communities, I do not consider that there is any need to continue the provision for the grant of free places to Muslim Girls in the school. Further, the strength of Muslim girls in the High School forms is very poor. There are only 4 Muslim girls in Forms IV to VI at present. I therefore recommend that the grant of free places to Muslim girls in the Government High School for girls Mangalore., may be discontinued with immediate effect. The girls who are enjoying the concession now, may, however be allowed to continue to enjoy the same, till they complete their studies in the school, or till they leave the institution.

3. I request the favour of early orders of Government in the matter.

Yours faithfully,

12-10-50

In Mo. no. 687 Edn dt 3.5.44, the Governme ~~among other things~~, sanctioned the grant of free pla upto 30 per cent of the total strength of higher forms in the Government High School for Muslim Girls Mangalore. Subsequently, on account of the grant of permission to admit non-Muslim girls in the School, the DPI issued instructions that the Concessio should be allowed only to Muslim girls and that the strength in forms IV to VI alone should be taken into account in determining the number of free place The school was ~~thrown open to converted into a general School~~ ~~is intended for~~ pupils of all communities from the Sch year 1948-49 ~~and~~ It was ordered that the provis for the conveyance of the Muslim girls should be Continued for a period of three years from that year The Director has now pointed out that no orders have been passed in regard to the Continuance of free places to the Muslim girls in the School. As the School has already been Converted into a general ~~school~~ one and as the number of Muslim girls in forms IV to VI is only four, he recommends that the grant of free places to them may be discontinued immediately, and that those who are now enjoying the Concession may be allowed to do so till they Comple their studies in the School or till they leave the institution whichever is earlier. The Director's recommendation may be accepted.
